INTRO TO TAB · TEACHER WORKSHEET

Your First Week with Tab

Tab is a personal assistant you simply text, like a friend, on WhatsApp or iMessage. Type, or send a voice note, in English or Hebrew. Six small missions, one a day: tick each box as you go!

Tips for great results

- **Send examples or photos.** "Make one like this" works wonders.
- **It's OK to ask again.** Ask for changes until it's just right.
