Starter Projects: What to ask Tab

Not sure what to ask? Pick any idea below, copy the message, change the details, and send it to Tab. Start small, then dream bigger!

How to ask

A great request has 4 parts:

1. **What it is** — a worksheet, a song, a flyer...
2. **Who it's for** — my 3rd grade, parents, my family
3. **The details** — grade, length, style, colors
4. **A photo or example** — if you have one, send it!

It's OK to ask for changes: "Make it bigger." "More colorful." "Shorter, please."
