INTRO TO TAB · CHEAT SHEET

What Tab Can Do

Just text Tab like a friend, on WhatsApp or iMessage. Type it or send a voice note, in English or Hebrew. Here are some ideas to copy:

Answer questions & research

"Explain the water cycle for 2nd graders in 5 short sentences."

Worksheets & flashcards

"Make flashcards for these 10 Chumash words, with a picture on each."

Posters, flyers & certificates

"Make a certificate for our Reading Champion of the month."

Lesson plans & presentations

"Plan a 40-minute lesson on Parshas Noach for 3rd grade, with slides."

Images & short videos

"Make a short video about the life cycle of a butterfly."

Simple websites

"Build a simple page for my class with our schedule and homework."

Emails & letters

"Write a warm letter to parents about Thursday's class trip."

Changes when you ask

"Make the font thinner."

"Put them in boxes."

Remembers & reminds

"Remember: I teach 3rd grade."

"Remind me Sunday at 8 pm to print the quiz."

Get your own Tab

1. **Scan or tap**
   Point your phone camera at the code.
2. **Sign up & save**
   Add Tab to your contacts.
3. **Say hi!**
   "Hi Tab! I teach 3rd grade."
